

LAKUTA.CN WHALE PAPERTOY

INSTRUCTIONS

1. Print template on cardstock or matte photo paper for best results.
2. Cut out all three parts with an X-acto blade. Be sure to cut slot for tail.
3. Score all dashed fold lines by gently running an X-acto along a straight edge.
4. Fold all dashed lines. All folds are "mountain" folds.
5. Glue tabs A-J in alphabetical order to the inside of BODY.
6. Fold TAIL, glue front to back and insert in TAIL SLOT.
7. Glue tab K to form STAND. Insert Levi in stand as shown in diagram.
